- e. Vertical line
- f. Arrange icons

[Guideline of Chart display and functions]

1. Open currency pair display.

If your desired symbol pair is not shown on the Market Watch, right click in the window, then click "Show All".

2. Open the chart window:

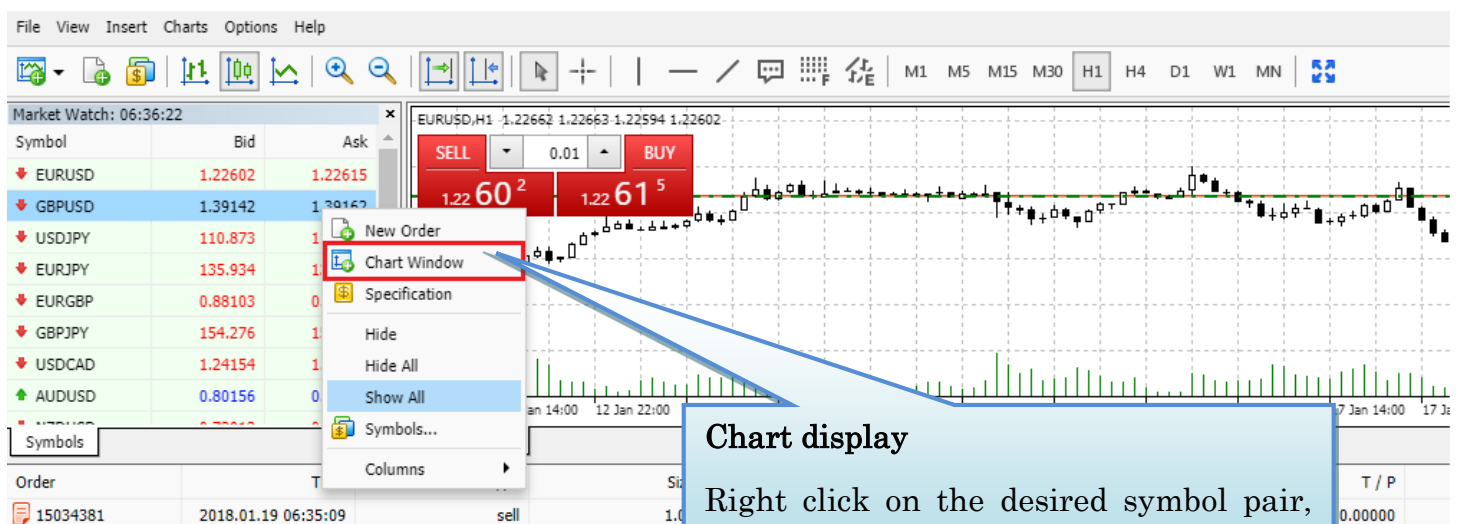

Chart display

Right click on the desired symbol pair, then choose "Chart Window".

Click **[Zoom In]** / **[Zoom Out]** button to enlarge or reduce the size of the chart.

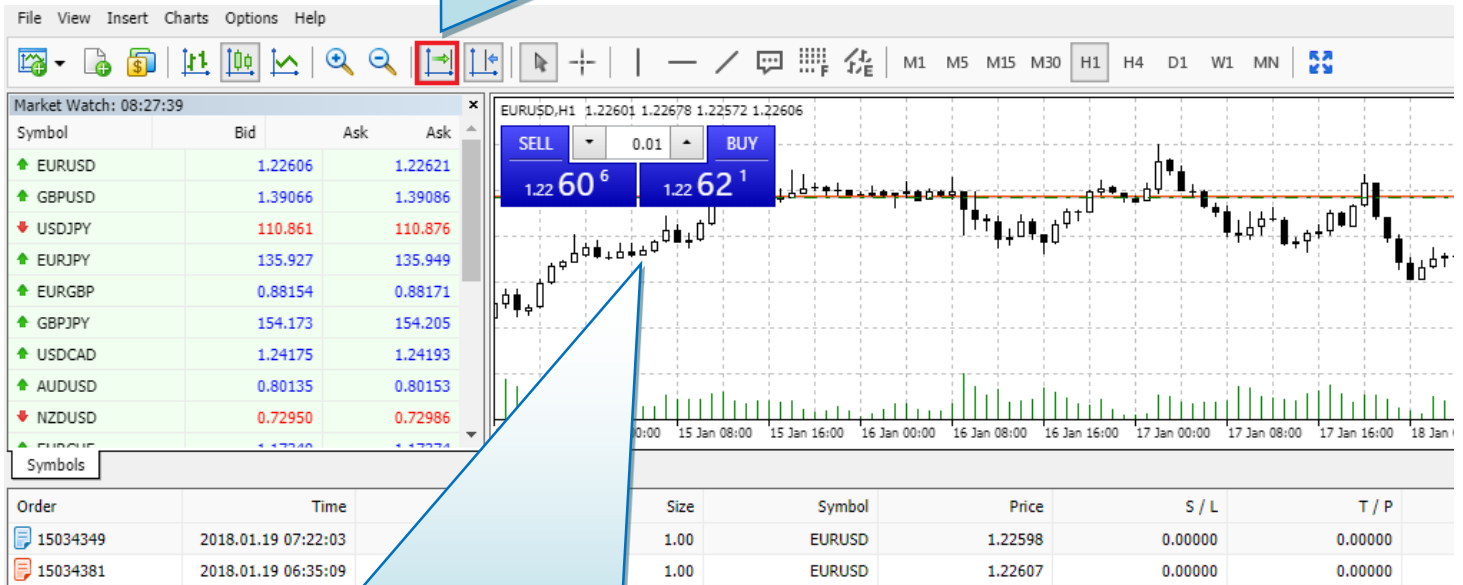

3. Timeframe on Chart Window:

[Chart Timeframe Panel] From 1 mins, 5 mins, 15 mins, 30 mins, 1 hour, 4 hours, 1 day, 1 week, monthly.

【Auto Scroll】 When it turns on, the chart automatically scrolls to the left.

【Auto Scroll】 When it turns off, the chart does not automatically scroll to the left.

Additionally, you can scroll the chart by dragging it with the mouse to the desired part.

Above is the guidance on Chart Display and Functions on MT4 Webtrader.
