

MT4
Ordering and Settlement
method
iPhone version

< Ordering Method >

※Run the MT4.

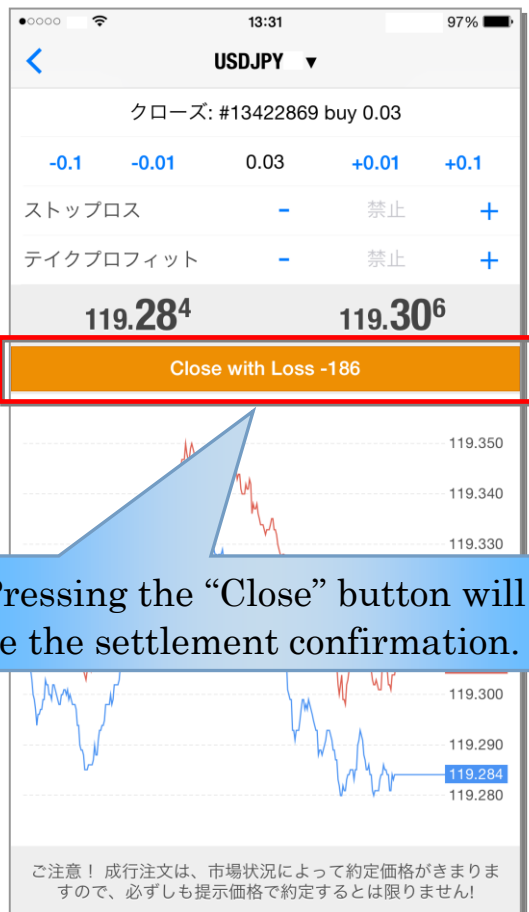

When the order is complete, the trade screen will appear and will be added to the summary of the position you currently hold.

This completes the order. In the next page, we will explain the settlement method.

< Settlement Method

This completes the settlement.

This ends the basic ordering and settlement method.

If you want to try it yourself, please use Demo
